We all scream for...???

Warmer weather is on the way and as a tribute to our favourite sweet, summer treat we found out what you girls

love when it gets down to the difficult stuff...ice cream flavours. Chocolate came in top with 32.1% of girls saying it was their fave. Next was Cookies and Cream (9.9%), closely followed by Strawberry (8.7%) and Vanilla (8.7%).

Some of the more exotic flavours we heard about were Baileys and Almond, Watermelon and Marshmallow.
